Technical data

Weight:	0,00 kg
IP Protection:	n/s

Conformity

EMC Compliant:	-
----------------	---

Description

The tape with yellow signal colour serves to mark and so enable easy finding of the two-way switch and round push-button switch. And simultaneously it serves to mask the drilled edges. The external diameter is 40 mm and the internal diameter 20 mm, meaning it can be exactly adhered around the switch.

Switch taperound D=20
