Description

The wall hook can be positioned anywhere you like and provides for further stowage possibilities for cables, hoses and many others. The hook is 115 mm in depth. You can transport your hoses, cables and many others in an organised manner but are still quickly accessible with the wall hook.

The fastening material varies depending on the installation situation and is therefore to be purchased separately.

We reserve the right to make changes in the interest of technical progress, as well as correcting printing errors and mistakes. Pictures are similar, decorative material not included. With the publication of this data sheet, previous editions lose their validity. Version: 21.12.2023
