

Cable reel holder

Material no.: 80713094 | Matchcode: ZKH | EAN code: 4014599713094

- » for hooking onto the long component tray and shelf trays.
- » additional stowage space for cables, hoses and many others
- » orderly transport of cables and hoses

Materials & Colour

Material: Steel
Colour: Blue

Dimensions

Outer dimensions: 145 x 110 x 94 mm

Technical data

Weight: 0,16 kg

Description

Additional stowage space is created with the cable reel holder for extension cables and many others, which also can be transported rolled up in an organised manner. It can be very simply hooked into the shelf tray and the long component tray of the Sortimo van racking system. The cable hook is encased by a flexible hose at the attachment point, which on the one hand guarantees secure hold, but also prevents noise generation and damage.
