Divider 173x100 mm for the L-BOXX 136 G4

Material no.: 1000002931 | Matchcode: LB136 TB 173X100 | EAN code: 4045294299613

Description

The divider 173x100 mm, used in conjunction with a divider frame and a slot divider 288x100 mm, divides the depth of the L-BOXX 136 G4 – the slot divider also subdivides the width of the BOXX in this case. To do so, simply insert the plastic adapter supplied into any recesses in the divider frame or slot divider and then insert the divider. The resulting compartments provide for greater organisation within the L-BOXX and help you towards a structured working day.
