Design & Function

Divider 415x161 suitable for metal case WM 350

Material no.: 5267931 | Matchcode: TB WM 350/415 | EAN code: 4014599267931

Description

The divider 415x161 mm serves the sub-division of the metal case WM 350. With this divider you can sub-divide your metal case 350 completely in the depth, by inserting them in the serial production guiding rails on the side of the metal case. The compartments provide for order and overview ability within the metal cases WM 350.
