Divider 415x62 suitable for metal case WM 320

Material no.: 5267634 | Matchcode: TB WM 320/415 | EAN code: 4014599267634

Description

The divider 415x62 mm serves the sub-division of the metal case WM 320. With this divider you can sub-divide your metal case 320 completely in the depth, by inserting them in the serial production guiding rails on the side of the metal case. The compartments provide for order and overview ability within the metal cases WM 320.
