Slot divider 288x100 for the L-BOXX 136 G4

Material no.: 1000002928 | Matchcode: LB136 STB 288X100 | EAN code: 4045294299309

Description

The slot divider 288x100 mm, used in conjunction with a divider frame, divides the width of the L-BOXX 136 G4. This simply involves inserting the plastic adapters supplied into any slots in the divider frame and then re-inserting the slot divider.

The slot divider also has slots, providing additional depth division options in conjunction with a divider 173x100 mm. The resulting compartments create more order within the L-BOXX and a structured working day.

We reserve the right to make changes in the interest of technical progress, as well as correcting printing errors and mistakes. Pictures are similar, decorative material not included. With the publication of this data sheet, previous editions lose their validity. Version: 21.12.2023
