Description

The partition set divides the XL-BOXX into up to 5 compartments of different sizes. The partitions fit flush with the ribs incorporated in the lid to prevent the contents from mixing during transport. The largest separate compartment corresponds to the interior contour of the L-BOXX 136 G4, ensuring that existing L-BOXX inserts and their accessories are fully compatible. The integrated bit and drill holders also ensure that frequently used components are tidily stored. 8-part set, consisting of: 1 x partition: 433 mm x 142 mm x 10 mm 3 x partitions: 359 mm x 142 mm x 16 mm 2 x partitions: 132 mm x 98 mm x 6 mm 2 x bit / drill holders: 126 mm x 128 mm x 37 mm
