Description

The silicone cartridge insert fits the L-BOXX 374 G and offers storage for 13 cartridges (Ø = 53 mm). It provides for correct and especially protected transport of silicone cartridges. In addition, the insert gives you a quick overview of your different silicone cartridges ensuring you have quick access to the correct material at the workplace and know at any time when you need to re-order. The L-BOXX 374 G can be equipped with two inserts (26 silicone cartridges, Ø = 53 mm). It is also possible to combine it with the foam cartridge insert.
