Description

This LS-BOXX 306 G features two LS drawers 72 G and offers various storage options for the safe and tidy transport of your tools, materials and work equipment to any workplace. It is the optimum mobility and storage solution for craftsmen, tradesmen, industry and service providers. So you can store tools or machines in the top segment of the base container.

The underlying slide-in module with guide rails comes with two LS drawers 72 G (height 72 mm). Tools and work utensils can be securely stowed away within and transported to the workplace. Your materials are always clearly sorted, thus preventing you from forgetting expensive tools or machinery. Thanks to its pull-out function, the LS drawer guarantees fast access to its contents, ensuring you waste no time at the customer's premises.

We reserve the right to make changes in the interest of technical progress, as well as correcting printing errors and mistakes. Pictures are similar, decorative material not included. With the publication of this data sheet, previous editions lose their validity. Version: 04.09.2025
