Lashing strap ratchet, carabiner 6 m

Material no.: 801016217 | Matchcode: ZVRK6 | EAN code: 4045294174873

Description

The lashing strap is equipped with two solid carabiner hooks, whereby it is optimally suited for the original lashing eyes of the vehicles' manufacturer. The inherent safety of the carabiner means that the hooks will not slip out of the lashing eyes. The ratchet enables a higher clamping force to be achieved as would be possible with the clamp buckle. This means you can secure particularly heavy objects professionally.

The strap is resilient up to 500 daN is 6 m long and consists 100% of Polyester.
