Hook set for tools 9 piece aluminium side panel

Material no.: 6000002437 | Matchcode: WZHS 9T SBAL 3.0 | EAN code: 4045294284718

Description

The sturdy, glass fibre-reinforced plastic hooks are designed specifically to fit the slotted holes of the aluminium side panel of the van racking system. They clamp automatically into the punched out holes of the Sortimo aluminium side panel and can be simply mounted or rather dismantled with one hand - without the need for tools. The 9-piece hook set for tools was specifically developed for dynamic loads in vehicles. As a result, your tools and equipment can always be quickly stowed away. And you always have quick access to them at any time - even without having to enter the vehicle. As a result, you save yourself a lot of to-ing and fro-ing and thus valuable time.

The set consists of:

- Single hook for tools 40, 66, 90
- Double hook for tools 40, 66, 90
- Round hook for tools 40
- Round holder for tools 80
- Tool holder for pliers 61
