Dimensions

Outer dimensions:	60 x 58 x 35 mm

Technical data

Weight:	0,02 kg

Description

The tool clamp made of sturdy, glass fibre reinforced plastic is designed specifically to fit the new slotted holes of the aluminium side panel of the van racking system. It clamps automatically into the punched out holes of the Sortimo aluminium side panel and can be simply mounted or rather demounted with one hand - without any tools. The tool clamp was specifically developed for the dynamic load in a vehicle and has a clamping range of approx. 32 - 38 mm. As a result your tools and supplies for work are always quickly tidied away. You always have quick access to them at any time - even without having to enter the vehicle. As a result, saving yourself a lot of movement and much valuable time.
