### Description

This module is equipped with four drawers, height 6 (internal dimensions WxHxD): 418 x 89 x 314 mm). The drawers stow away objects, keep them concealed from view and are easily accessible due to its full extension. They can be flexibly subdivided with accessories such as inset boxes, small component trays or dividers and provide for even more clear arrangement and organisation saving you much search time. Optional anti-rattle mats on the floor of the drawer prevents movement of the contents and absorbs noise.
